# Be Part of Hawthorne History

Our new pool is done and ready for next season, but it won't really be finished until you put your name on the project. That's why we're setting aside a walkway to be paved with beautiful red bricks engraved with your message. You can dedicate a brick to a loved one or a favorite teacher. You can even promote your business. In any case, you'll be showing the world your rock solid support for Hawthorne Foundation Inc.
